

## Part-Time Instructor

Posting #FAPT27-24

### School of Nursing Faculty of Human and Health Sciences Prince George Main Campus, MScN and MScN-FNP Courses Part-Time, Term

The University of Northern British Columbia (UNBC) invites applications for a sessional instructor position in the School of Nursing for the January 2025 semester. As an institution committed to the fostering of an inclusive and transformative learning environment, UNBC values high quality and growth in both teaching and scholarship.

This posting covers MScN and MScN-FNP courses in need of instruction from the Prince George Main Campus. All courses in this program are delivered via online modality.

Candidates with a minimum MScN, PhD preferred, are encouraged to apply. Current registration as a Practising NP with the BCCNM is required for all clinical positions, and as an RN or NP is preferred for all other positions.

**NURS 605 Pharmacological Management and Therapeutic Interventions 1.5 SCH Contract Theory Co Instructor 2 positions available; we are seeking one instructor with a pharmacy background and one instructor with an NP background for this course**

This course provides students with the most current advanced knowledge of pharmacology, including pharmacokinetics and pharmacodynamics. Students learn about evidence-based practice, including BCCNM limits and regulations, in the selection, prescription, and monitoring of drugs that are commonly

## About the University and its Community

Since its founding in 1990, the University of Northern British Columbia (UNBC) has emerged as one of the most innovative universities, with a passion for teaching, discovery, people, and the environment. We are committed to inspired research, hands-on learning, and alumni who are leading change around the world.

Since time immemorial, Indigenous peoples have walked gently on the diverse traditional territories where the University of Northern British Columbia community is grateful to live, work, learn, and play. We are committed to building and nurturing relationships with Indigenous peoples, we acknowledge their traditional

and the spectacular landscape near the geographic centre of beautiful British Columbia.

The campus located in Quesnel, Fort St. John, and Terrace. The South-Central campus in Quesnel is situated on the traditional territory of the Lhtako Dené (Red Bluff Band), Nazko,

The Peace River-Liard campus in Fort St. John is situated on the traditional territory of the Doig River, Blueberry River and Halfway River First Nations. They are the Dunne-Za people. The Northwest campus in Terrace includes a satellite campus in the coastal community of Prince Rupert.

UNBC has also recently placed among the top five per cent of higher education institutions worldwide by the Times Higher Education World University Rankings.

With a diverse student population, the University is friendly, inclusive, and supportive. Prince George is a city of ~74,000 people with impressive cultural, educational, and recreational amenities.
