

November 17-18, 2016 in Prince George

Pre-Fabricated Building Components:

Chris Drouillard

Homeowner and Marketing Consultant,
Trinity Post and Panel

Ken Harper

President and CEO, Trinity Post and Panel

Steve Tresierra

Chief, Whispering Pines/Clinton Indian
Band

Building systems, including pre-fabricated wall panels and roof trusses, can speed up construction time and enable builders to get more product on the market faster. This session will look at the opportunities and challenges of using pre-fabricated building systems in northern BC to complement or as an alternative to traditional stick-built approaches.
